

#### TPMC884 Dual Channel 10/100/1000 Mbit/s Ethernet

# **Application Information**

The TPMC884 is a PCI Mezzanine Card (PMC) compatible module providing a dual channel Gigabit Ethernet 10 / 100 / 1000BASE-TX interface.

For highest data rates, the TPMC884 has a 64 bit, 133/100/66 MHz PCI bus interface and is capable of full speed bus-master DMA operations utilizing maximum PCI bandwidth.

An Intel™ 82546EB Ethernet Controller (Intel™ 82546GB for ROHS compliant version) is used, which supports 10, 100 and 1000 Mbit/s transmission rates for half and full duplex operation. The TPMC884 is capable of performing an auto negotiation algorithm which allows both linkpartners to find out the best link-parameters by themselves. The TPMC884 is widely user configurable via configuration and status register access over the PCI bus. Front panel mounted LEDs indicate various network activities.

The TPMC884-10 provides 10/100/1000 Mbit/s network connection via two front panel RJ45 connectors. The ports are galvanically isolated from the Ethernet Controller.

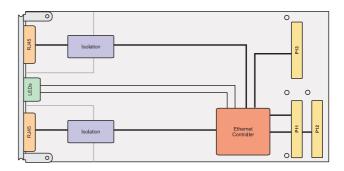

For First Time Users the Engineering Documentation TPMC884-ED is recommended. The Engineering Documentation includes TPMC884-DOC, schematics and data sheets.

# **Driver Support:**

- Software Support for Windows XP/2000/NT4.0 and several other operating systems is available from Intel at: http://downloadfinder.intel.com/
- For other operating systems please contact TEWS.

#### **Technical Information**

- Standard single-width 64 bit PMC module conforming to IEEE P1386.1
- PCI 2.2 (64 bit / 66 MHZ) and PCI-X 1.0a (64 bit / 133 MHz) compliant interface
- O 3.3V and 5V PCI Signaling Voltage
- O Board size: 147 mm x 74 mm
- Two IEEE802.3 compliant Gigabit LAN interfaces
- O Support of front panel status LEDs for each channel
- 10BASE-T/100BASE-TX 1000BASE-T interface available
- 0 Half or full-duplex operation
- 64 Kbyte Transmit and Receive FIFOs  $\mathbf{O}$
- O Controller supports DMA cycles as a bus master
- Operating temperature range: 0°C to +55°C

### **Order Information**

TPMC884-10R Dual 10BASE-T / 100BASE-TX /

1000BASE-TX Ethernet Interface

RJ45 Front Panel I/O

based on Intel 82546EB controller

TPMC884-10 None RoHS compliant version of

TPMC884-10R

TPMC884-DOC User Manual

TPMC884-ED Engineering Documentation, includes

TPMC884-DOC
